5. Purposes for Which We Collect, Use, Sell and Share Personal Data

The purposes for which we collect, use, sell, or share Personal Data depends on, among other things, our relationship or interaction with the source of the Personal Data or third party to which we sell or share Personal Data. The table below lists and describes the purposes for which we collect, use, sell, or share Personal Data.

Purpose	Explanation
Audience Analytics	Discovery, segmentation, and optimization of First Party Data to understand and develop insights about customers and visitors to/users of Digital Properties to increase reach for Tailored Advertising and improve Content Personalization.
Audience Creation	Creation of Audiences using First Party Data and Third Party Data, including Modeled Audiences.

Campaign Analytics	Measuring and reporting on how advertisements and content was delivered and interacted with by individuals to understand the individual's path to conversion and facilitate smarter marketing spend decisions.
Content Personalization	Tailoring and delivery of content based on an individual's profile or preferences.
Cross-ID/Device Linking	Determining probabilistically, and in certain cases, deterministically that two or more Pseudonymous IDs or Devices belong to the same individual or household.
Profile Creation	The creation or editing of a personalized advertising and content profile by combining it with Behaviors previously collected, including from across unaffiliated Digital Properties and Devices, for use by third parties (such as our Business Customers) in Tailored Advertising and Content Personalization.
Tailored Advertising	See Tailored Advertising on our Privacy DefinitionDefinitions page for further information about Lotame's role in Tailored Advertising. Tailored Advertising includes "advertising and marketing" and "cross-contextual behavioral advertising" as those terms are defined under the CCPA, and "targeted advertising" as defined in VCDPA. Lotame itself does not engage in Tailored Advertising or Content Personalization.

6. Sale or Sharing of Personal Data of Minors Under 16 Years of Age

Lotame does not knowingly sell or share Personal Data of minors under 16 years of age (~~"Minors"~~). Lotame contractually prohibits its Business Customers and Data Partners from providing Lotame with any Personal Data of ~~Minors~~[minors under 16 years of age](#).

7. Use and Disclosure of Sensitive Personal Data

Lotame does not use or disclose Sensitive Personal Data. Lotame contractually prohibits its Business Customers and Data Partners from providing Lotame with any Sensitive Personal Data.

8. Requests Related to Personal Data Under U.S. ~~Data Protection and~~ Privacy Laws

~~This section summarizes the rights available to U.S. residents under U.S. Data Protection and Privacy Laws regarding the processing of their Personal Data ("Privacy Rights") and the methods Lotame provides to exercise those Privacy Rights.~~

~~If you are a resident of a state that has a U.S. Privacy Law in effect, you have the right to request certain information from Lotame or the right to request Lotame to take certain actions related to your Personal Data that Lotame is processing ("Privacy Rights"). Our Privacy Manager contains information about your Privacy Rights.~~

If you are not a resident of a state that currently has an effective U.S. ~~Data Protection and~~ Privacy Law, you may submit a request to exercise your Privacy Rights and we may process it as described in this Notice, even though no U.S. ~~Data Protection and~~ Privacy Law requires us to do so. However, we reserve the right to ~~change~~[not accept](#) or ~~stop the practice of accepting requests from individuals who process your request if you~~ are not ~~residents~~[a resident](#) of ~~states~~[state](#) that ~~does~~ not currently have a U.S. ~~Data Protection and~~ Privacy Law in effect.

How to exercise your Privacy Rights. You can make a request to exercise your Privacy Rights by submitting your request using our [Privacy Manager](#). You can also make a request to exercise your Privacy Rights by contacting us at privacy@lotame.com; however, due to the nature of the Personal Data [that](#) we process and the need to verify certain types of Privacy Rights requests, ~~use of our Privacy Manager using email~~ is ~~not~~ the best ~~way~~[method](#) to submit your [Privacy Rights](#) request. ~~Using the Digital Advertising Alliance's WebChoices Tool or the Network~~

[Advertising Initiative's \(NAI\) Browser Opt-Out Tool](#) are the best methods to submit your request without the need to submit additional information to Lotame.

Please note that with respect to Personal Data ~~that~~ we receive from our Business Customers that ~~is used by those Business Customers use~~ Business Customers for their own business or commercial purposes, Lotame will ~~only not be able to~~ take action regarding your ~~Personal Data on~~ Privacy Rights request without you providing the ~~direction name~~ of the Business Customers for ~~whom~~ which we process such Personal Data.

Using Authorized Agents. If you want to use an authorized agent to submit your Privacy Rights request, please have the authorize agent follow the instructions below:

- *Using an authorized agent without power of attorney to submit a Privacy Rights request.* An authorized agent without power of attorney must submit a signed permission from the individual authorizing the agent to submit the Privacy Rights request(s) on their behalf by using ~~the form located here:~~ [Lotame's Privacy Rights Request Form](#).
